**ERIKA**  
BANDRA (E)

IT'S THOUGHTFUL. IT'S **Rustomjee**<sup>®</sup>

LIFE  
SHOULDN'T BE  
LIVED IN  
SQUARE FEET.

*"Our design thinking principles have inspired every sq. ft. of this project. So that an average Monday can include tea on the terrace, a game or two with the kids followed by a walk to work. At Rustomjee Erika, you'll be located in the heart of tomorrow."*

*Boman R. Irani  
CMD, Rustomjee Group*

*Design Thinking #503*

A HOME  
CAN ADD AN EXTRA HOUR  
TO YOUR DAY.

*We believe distances should be measured in leisurely strolls and bicycle rides. Traffic shouldn't eat into dinner plans. Cuisines from around the world should be found just around the corner. And everyone should reach home from work just in time for a Rooftop sundowner five times a week. At Bandra East, you will find the high points of life within arm's reach.*

*Bustling upcoming location*

*Well-connected to the Western  
Suburbs and South Mumbai*

*Design Thinking #47*

A SHORTER COMMUTE TO  
THE OFFICE USUALLY  
MEANS MORE TIME IN BED.

*Living in Bandra - East means you can hit that snooze button every morning. Because the proposed infrastructure projects that are underway mean you won't be late for work and can be home in time for dinner with the family, bedtime stories with the kids or even an impromptu evening with friends.*

LONG STORY SHORT,  
THIS NEIGHBOURHOOD IS GOLD.  
DON'T TAKE OUR WORD FOR IT.  
DO THE MATH YOURSELF.

*We've studied all the indicators for Bandra-East  
and here is what they say.  
We thought you would like what you see. We certainly did.*

---

**Price Appreciation:** *There has been 100% growth in value of homes over the last 10 years from ₹30,000 psf to ₹60,000 psf.*

---

**Exponential demand for residential real estate:**  
*The demand for certain localities in Bandra East has grown exponentially over the last few years. With an influx of 2000+ families, Bandra - East is now regarded as the coveted residential neighbourhood of Mumbai.*

**Global trends indicate the high-growth potential of areas around the CBD:** *As the studies show, the areas surrounding the Central Business District have grown exceptionally higher over time. Similar to Manhattan in NYC & Canary Wharf in London, the same trend is set to follow in Khernagar & other areas around.*

*Design Thinking #401*

ONE ADDRESS CAN TURN  
A LOCATION INTO  
A DESTINATION. TWO CAN  
TURN IT INTO THE  
CITY'S MOST COVETED  
NEIGHBOURHOOD.

*Crowning the neighbourhood of Bandra East are Rustomjee Seasons and Rustomjee Oriana. Two successful redevelopment projects that introduced this part of the city to the many joys of life in a gated community. From spaces designed to enable busy corporates to pursue their long forgotten passions, nooks and corners that bring communities together, to plush homes that look like works of art, Rustomjee Seasons and Rustomjee Oriana delivered just what the city needed. Now it's time to make that gated community life the neighbourhood norm.*
